Hanin Reda

Motivated IT student with a GPA of 4.0/4.0, having completed the second year. Strong academic background in IT and Computer Science, eager to apply technical skills in real-world projects and internships. Interested in software development, AI integration, web technologies, and a full stack development.

Education

Lebanese International University (LIU),
Bachelor of Information Technology (IT)
-Completed Year 1 & Year 2
-GPA: 4.0/4.0
-Focus on software engineering development, networking, and web projects.

Key Skills

Programming & Web Development: HTML, CSS, JavaScript, Java
Framework: React.js
Backend: Node.js
Machine Learning & Data Analysis using python
Software & Tools: VS Code, MS Office, MySQL, Figma
Strong problem-solving, teamwork, and communication skills

Projects

-Learning Management System Website: Developed a web-based platform for tracking courses and student progress. Built responsive user interfaces using React. Implemented backend logic using Node.js. Integrated MySQL database for course and enrollment management.

-Online Appointment Booking System (Beauty Center) using figma application (prototyping): Developed as a software engineering. Features: registration, login/logout, booking appointments, waitlists, service selection, payment processing, notifications, live chat, and Al.

-Online Cosmetics Store Website: Built using HTML, CSS, JavaScript, and PHP. Features: product browsing, shopping cart, checkout...

- Machine Learning Project (Python): Developed machine learning models using Python. Performed data preprocessing and feature preparation. Evaluated models using accuracy and performance metrics.

Certifications

From Cisco Network Academy:
-Certificate Introduction to Networks
-Certificate Network Security
-Certificate Switching, Routing, and Wireless Essentials
From LIU:
-Certificate fall 2023-2024 president’s honor list
-Certificate spring 2023-2024 president’s honor list
-Certificate fall 2024-2025 president’s honor list
-Certificate spring 2024-2025 president’s outstanding undergraduate recognition award
-Certificate fall 2025-2026 president’s outstanding undergraduate recognition award

Achievements

Maintained GPA 4.0/4.0 throughout the first two years

Languages

Arabic: Native
English: Good
